Durvell's Jacobite Gets First in Easy Fashion—Good and Plenty Wins His First Race of the Year in the Steeplechase Handicap—Running Water Breezes Home—Summaries.

New York, July 22.—Four favorites and a second choice rewarded the form players at Brighton Beach to-day. The feature was the Undergraduate Stakes for two-year-olds, 5-1-2 furlongs.

Sim Daniels' Gene Russell was a hot favorite, backed down to 7 to 10. Mountain worked him to the front after the first sixteenth had been covered, but the Oneck Stables' Bell Wether, played from 20 down to 5, was after him like a shot. At the head of the stretch, Bell Wether bore out, but came up again so resolutely that Gene Russell had to be put under a drive to win, by a neck, in 1:07 3/4. Bell Wether was two lengths in front of Corn-cob, a 25-to-1 shot.

Running Water went to the outside and breezed home five lengths to the good, in 1:46 1/5. Zenap last long enough to take the place, by a neck, from Sonoma Belle, 12 to 1. Ruby was eased up at the head of the stretch.

Durvell's Jacobite, 1-to-3 favorite, made a runaway of the first race, for players, at 6 furlongs, winning by four lengths, in 1:12 4/5. Bad News, 20 to 1, got the place, by a half length, from Golden West, 30 to 1, who beat Botanist, 6 to 1, a nose. Blandly, 15 to 1, was close up.

Good and Plenty, 15-to-20 favorite, won his first race of the year, when he took the Steeplechase Handicap, at about two miles and a half.

## JAMESTOWN REGATTA OFF.

### Officials Decide to Abandon Proposed Rowing Races.

New York, July 22.—The contemplated international rowing regatta at Jamestown Exposition next month has been abandoned, temporarily at least. A meeting of the executive committee of the International Regatta Association was held last Thursday, when it was decided to notify the management of Jamestown Exposition that it was inadvisable to hold the regatta on the proposed date.

It was suggested to the management that if desirable a regatta might be arranged for September, but it is very doubtful whether this proposition will be favorably received.

President Pilkington, of the executive committee, repeatedly requested the Jamestown management to make the official arrangements for the trophies, but failed to receive any satisfactory reply to his communications. It was largely due to this fact that the executive committee decided to recommend the abandonment of the project.

With the national regatta only three weeks away, the executive committee found it would be impossible to issue the entry blanks in time to obtain a satisfactory list of entries. Weather conditions have held back racing this year, and the fact that the Jamestown regatta was scheduled on the heels of the national event brought about the decision to call off the affair. Should the Jamestown regatta be held, it would be a series of rowing races for September, an effort will be made to draw up a programme of events.

**CARTMELL VS. ENGLISH CHAMP.**  
International 100-yard Race to Be Run in England.  
Manchester, England, July 22.—A special race has been arranged for the international championship between N. J. Cartmell, of the University of Pennsylvania, the intercollegiate champion sprinter of America, and J. W. Morton, the champion of England, for a huge silver trophy emblematic of the championship. It will be a scratch event and 100 yards in distance, and it is safe to say the English public were never so aroused over any sprinting event as they have been by this splendid match.

Cartmell raced Morton on July 6, though he only won by the skin of a few hours, and in a downpour of rain he gave the English champion one of the greatest races ever seen in England. So wonderful was the performance of the Penn athlete that he was requested to meet his rival in a championship race at Chester, and he accepted, and the Earl of Jersey immediately stated he would donate a silver trophy to be given to the winner of the contest.

**ENGLISH TEAM WINS CUP.**  
Australians Defeated by Three Sets to Two at Wimbledon.  
Wimbledon, England, July 22.—In the doubles for the Dwight F. Davis cup, A. W. Gore and Roper-Barrett, English, beat N. E. Brookes and A. F. Wilding, Australians, by three sets to two, with a score of 3-6, 4-6, 7-5, 6-2, and 13-11.

In an exhibition match of lawn-tennis doubles to-day, W. D. Hayes and Miss May Sutton were beaten by G. W. Hill and Mrs. Chambers (formerly Miss Douglas), by two sets to love. The score was 11-9 and 6-4.
